Hi Kelly;

As per our phone conversation, here is information on the house that was taken into possession by the Ravalli County Sheriff's Office due to a drug forfeiture. If you have any questions as to the actual forfeiture, please contact Under Sheriff Kevin McConnell at his direct line of 375-4002. (Please do not share this phone number with any one else other than Fred Thomas, as it is not a line for the general public).

I asked Under Sheriff McConnell if there were any environmental issues over this house since it was taken in as drug forfeiture (such as being utilized as a Meth House'), and he indicated there were no environmental concerns they were aware.

I will also put this information in the mail to you as the fax copy may be difficult to read. Obviously this is a vacant house with no occupants.

Let me know if you need anything else, and please confirm with me if and when this will be placed on the county's insurance.

Thanking you in advance,

Glenda M. Wiles
